Decision to hold raffle at Legacy High School. Zanthia reported on the incentive program for selling. Plan is to place 10 raffle tickets in each parent packet at Intro. Night with encouragement that each girl sell 10 raffle tickets. More tickets will be available to those that want to sell more. At the end of the year banquet, there will be a drawing for prizes with those selling 10 tickets being placed in drawing for \$25; those selling 20 placed in drawing for the \$25 and \$50; and those selling more than 21 tickets being placed in drawing for \$25, \$50 and \$75....so the more you sell, the more chances you have to win. Raffle prize payout is \$1400; seller prizes \$150; and estimated cost

of printing tickets \$300, and permit fee \$25. There will also be some postage and envelope costs for mailing out checks to winners. Laurie Baumgartner made motion to approve incentive prizes for the calendar raffle; Jenne Browne seconded; motion approved.

Company Sponsorship: See discussion under Treasurer's Report regarding donations but \$700 has been collected so far. Jenne Brown reminded everyone that needed logos in EPS format. DeAnn has some of the the logos in this format from Volleyball Boosters and United Printing has same ones also. Tom reported he would like logos in JPG format also for the Twitter and Facebook accounts.

Applebee's Fundraiser: No report as Kevin Haugen not present. Date of fundraiser is April 18, 2015.

Community Days Fundraiser: Coach Haley recommended selling the Herberger's Community Days tickets which are \$5 and the boosters would get the \$5 for each ticket sold. Dorinda reported success with this from previous experience. This event is held in October and February. This would be a fundraiser suggestion option for next year.

Game Programs: United Printing will print these once we have sponsors determined. Discussion held regarding doing separate team pictures or large group photo. Tom suggested large group photo. Zanthia reported she would take the picture March 30.

New Business:

Training Devices: Coach Tom presented information on goalie training devices which cost \$115.00. Domagala made motion for Girls Soccer Boosters to order the 2 soccer training devices; VanderLaan seconded; motion approved.

Tom also reported he would like to order "Golden Spike" t-shirts and has a contact that will make these shirts for \$5.00 each. Tom would like to order 30 of them and would have carryover to next year as they would not be dated. These would be presented at practice to girl the coaches deem deserving of the "golden spike" award that week/game. The girls would get to keep the shirt but would only receive one shirt each season despite possibly winning the award more than once. Dorinda made motion to approve purchasing 30 of these "golden spike" t-shirts at a price up to \$175; Zanthia seconded; motion approved.

Summer Soccer Camp: Tom reported summer camp will be held June 15-17, 2015. Last year the Legacy Boys Soccer Boosters organized the camp and are requesting Girls Soccer Boosters to assist for half of the profit from camp. Tom reported there will be 3 sessions and he is hoping for 150-200 kids participating.

National Guard Night: Zanthia reported that April 21, 2015 game against St. Mary's will be National Guard Night. The guard does not have soccer jerseys (BHS and CHS have purchased

their own). Jeremy Sigl is the contact and reported there may be some camo warm up shirts the girls could use. Details are still be worked out. DeAnn presented information regarding the charity chosen as Tracy's Sanctuary. She is working with Kelsey at Tracy's Sanctuary to get a list of needed/recommended items.

Intro. Night: Zanthia is working on collecting forms needed for parent packets. Intro. Night will be held March 16 at 7:00 p.m. at Simle Middle School.

Socks: Discussion occurred regarding ordering the black and the white socks the girls need through Universal Athletics. Coaches determined 45 white socks and 140 black socks for the girls at Simle Middle School and Legacy High School would be needed but could be carried over to following year whatever doesn't sell. Socks are \$6.00 but would sell for \$10.00. Legacy girls need to purchase socks through the coaches as they all need to match but the coaches will encourage Simle to purchase these same socks as they could continue to wear at the High School level. Tom also reported that Legacy Girls Soccer Boosters would receive money off apparel sales at Simle Middle School. Zanthia will work with Chris to add a Simle logo to the order for those wanting to order.

End of the Year Banquet: DeAnn reported the Multi-Purpose Room at the Career Academy has been reserved for Wednesday, May 27, 2015. DeAnn reported this was pretty much the only date available already.

Next meeting will be held Thursday, March 12, 2015 at 6:30 p.m. at Zion Lutheran Church.

Respectfully Submitted,
Sandra Domagala
